

WANT YOUR CHILD TO SCORE HIGHER ON ACT/SAT

Higher ACT/SAT scores can be life changing: admissions to their dream colleges, scholarships, better degree, better career etc. etc.

College entrance exams are extremely important and students deserve better and specialized preparations to score higher and succeed.

Bright Minds Learning Academy offers an ACT/SAT Super-Prep program for high school students. Our goal is to provide a program which "fits every child's needs and every parents' budget." So far we have served over 700 students in the Stark county.

Bright Minds Super Prep is one of a kind ACT/SAT prep in the Northern Ohio area. It's an **affordable, flexible, individualized, nurturing, one-on-one, systematic and very thorough with very effective tips and techniques test prep.**

Students get individualized instructions from expert instructors on test taking tips and techniques. Ongoing short assessments take place by subject, one step at a time. We also offer full length practice tests with detailed feedback. These practice tests and feedback help students in eliminating careless mistakes, lowering test taking anxiety, gaining confidence and endurance and learn time management. The confidence gained and practice acquired help students in achieving higher scores.

Our Super Prep is helping many local high school students achieve higher scores, get admission to their dream colleges and earn scholarships.

Parents have been constantly referring our program. Most parents like Bright Minds ACT Super Prep because it's very affordable, flexible and has been bringing great results.

**So don't wait, together we can help your child score higher
and succeed!!**
